## **Recital of Doa Salammat**

# **DOA SALAMAT**

## Background History

- **No single environmental legislation in Brunei**
- **2000s Environmental Order drafted by JASTRE and AGC.**
- **Order was not implemented**
- **2009 EPMO came back on the Agenda**
- **2013 JASTRE, AGC, EDPMO and Industry conducted a review**
- **Align the EPMO with Workplace Safety and Health Order (2009) and Control of Major Accident Hazards (2013)**
- **2014 Core Working Group JASTRE, AGC, BSJVs, TOTAL, PB and MIPR providing input**

## **Environmental Protection and Management Order 2014 (draft)**

### **AIM:**

- **Align all safety, health and environmental legislation in the future**
- **Provide consistency, avoid duplication and improve compliance**
- **Provide clarity on roles and responsibilities**
- **Ensure due diligence and governance**

**Responsibility of all persons, employers and occupiers on State Land**

**To popularize the legislation is key to its success and enforcement**

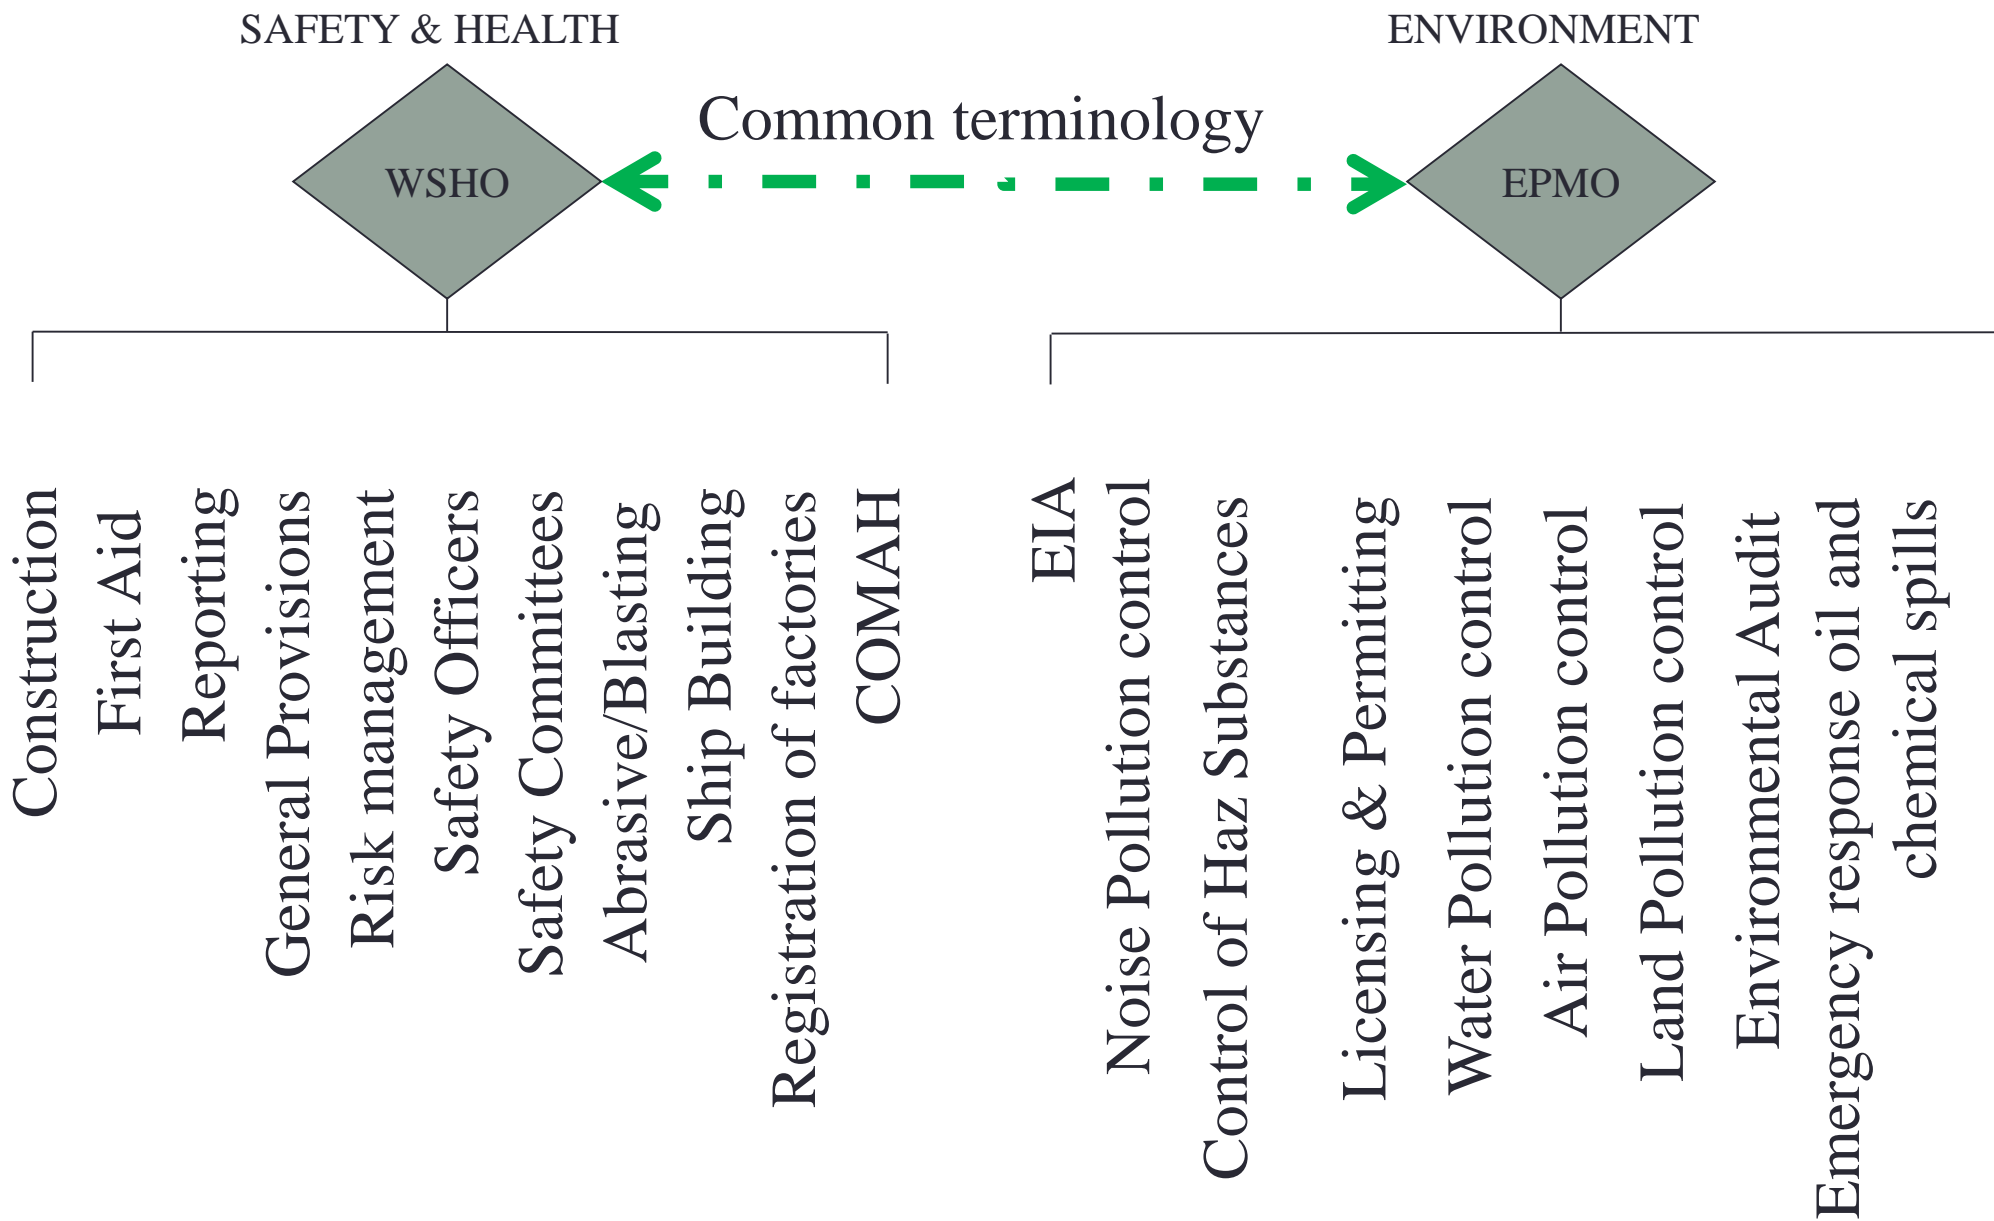

## **Environmental Protection and Management Order 2014 (draft)**

### **Key Elements of legislation**

- **Prescribed activities to be notified to Authority.**
- **Scheduled premises defined.**
- **Environmental controls for air, land and water through out Brunei.**
- **Hazardous substance listed – require emission controls.**
- **EDPMO will take the lead for the Oil and Gas Industry.**
- **A suite of detailed regulations will follow.**

# Safety Health & Environment Legislation

## Environmental Resources Management Pte Ltd

- **Independent review**
  - **EDPMO has invited ERM to facilitate the review and benchmarking of the draft Order**
  - **Review to be in line with International Standards**
  - **To ensure EPMO is relevant and fit for purpose in the Brunei context**

Allow me to introduce a member of the team –

- **Alastair Scott**

## Way Forward

Item	Description	Who	When
1	Members to review the EPMO 2014 (draft) and provide comment to ERM: <a href="mailto:Alastair.Scott@erm.com">Alastair.Scott@erm.com</a>	All members	2 weeks
2	Members to identify their <b>Company Focal Point</b> to assist next review	All Members	Today
3	ERM to facilitate Workshop for review of EPMO 2014	All Members	In 2 weeks
4	ERM to collate all data and revert to EDPMO	ERM	6 weeks
5	Continued consultation with the Oil & Gas Industry	EDPMO	Q3 2014
6	Deliver legal draft to AGC	JASTRE	Q4 2014
